

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines that are recognized within the business as durable and strong machines which satisfies all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery operated walk behind model of floor scrubber together with the Clarke Company that is presently also owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to provide warranty service, machinery and components for these types of scrubbers that carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of several facility managers where results and efficiency make a difference. Lately, this floor scrubber model has been used by the architects in various construction jobs like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on location because of the model's high standard of quality and supreme performance level for polishing concrete.
